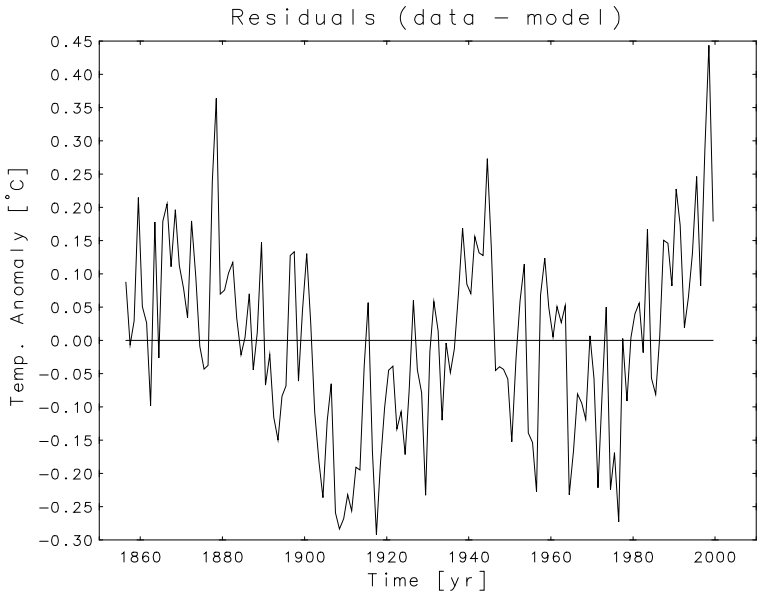
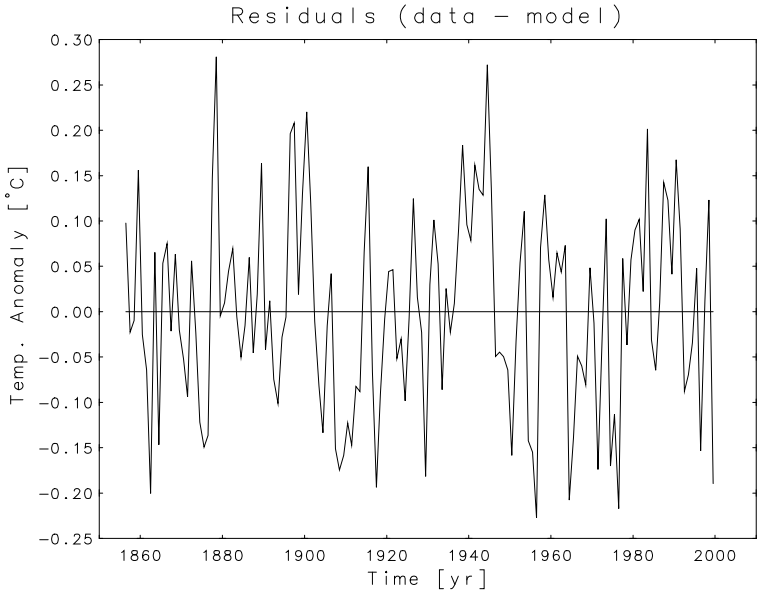
Errata for Fitting Nature's Basic Functions Part I: Polynomials and Linear Least Squares

- **Figure 2**. The scaling for the y-axis is incorrect. The figure should be



- **Equation (28)** should be $\mathbf{R}\boldsymbol{\alpha} = \mathbf{Q}_1^T\mathbf{y}$ rather than $\mathbf{R}\boldsymbol{\alpha} = \mathbf{Q}_1\mathbf{y}$


- **Figure 4**. The scaling for the y-axis is incorrect. The figure should be
